Hi Tom:

As we just discussed on the phone, I checked the trust account. The transfer was initiated but is being held by the bank. I will call them first thing in the morning to see what the deal is. I suspect that they are placing a brief hold on the funds simply because of the size of the transfer.

Im authorized by my client to file the dismissal as soon as the funds clear.

As I said earlier, I'm sensitive to your client's position. As soon as I get the lay of the land tomorrow w the bank I'll ping you.

Thanks,  
John

Good day!

First the 500k needs to reference it is being paid pursuant to the demand. My initial proposed order was sufficient and John agreed to it with only attorney names and addresses being changed.

Second this order is only for bill and he doesn't speak for attorney Lambert and doesn't need to make reference to her case.

Therefore please immediately make the changes and forward for approval. Finally, judge requires this order in word not pdf.

Good day!

Finally this order is the last order and closes the case. No part of this case is left open as bill is the last active defendant.

The language should be:

This order resolves the last pending claim and closes the case.

You agreed to my language in my order I had sent to you and I sent the funds. You requested the ability to change only the attorney names and addresses in the caption. It is my understanding you have defaulted the other parties therefore the case is over with bill resolving your claims against him.

Please make the changes and resubmit to me for approval. Or in the alternative sign my order.

Good day!

First the 500k needs to reference it is being paid pursuant to the demand. My initial proposed order was sufficient and John agreed to it with only attorney names and addresses being changed.

Second this order is only for bill and he doesn't speak for attorney Lambert and doesn't need to make reference to her case.

Therefore please immediately make the changes and forward for approval. Finally, judge requires this order in word not pdf.
